

# SIGN UP FOR EMERGENCY ALERTS

The Alertus app helps ensure that our community members receive timely, informative alerts in case of emergencies or other critical situations.

Alertus can also be used to request assistance from Campus Safety & Security if the user is unable to make a phone call. It's like having a personal blue light!

## HOW TO GET THE APP

- Download the Alertus App on the Apple Store or Google Play.
- Enter the organization code and pin (BELOW). Alertus will email you a verification link (check spam, too).
- Click the silhouette icon in the upper right to update your profile. Add your name and cellphone number. **This is crucial for us to know how to get in touch with you!**
