Honorary Degree Recipient

BRUCE POON TIP

Doctor of Business Administration

Entrepreneur, leader and philanthropist Bruce Poon Tip is the founder of G Adventures, an award-winning small-group adventure travel company and pioneer of community tourism. Founded in 1990, G Adventures is a tour operator designed to bridge the divide between backpacking and mainstream travel, and to connect travelers with local people in the countries they visit. Thirty-plus years later, it is now the world's largest small-group adventure travel company, with 28 offices worldwide. Hosting 200,000 travelers per year, the company offers more than 750 tours and travel to 100 countries — across all seven continents.

In 2003, with a vision that travel could be a force for social good and significant wealth distribution, Poon Tip founded G Adventures' nonprofit partner, the Planeterra Foundation. Planeterra harnesses the power of the tourism supply chain to channel travelers' dollars into underserved communities around the world. Poon Tip's work with organizations such as the Inter-American Development Bank (IDB), the Multilateral Investment Fund (MIF), like-minded companies, and indigenous people, has led to support for 80 community development projects globally, with another 20 planned to enter the tourism supply chain. This means 90% of G Adventures travelers will visit a social enterprise project on their tour.

Passionate about the power of travel to change the world for the better, Poon Tip has become a global leader in social entrepreneurship, leadership, immersive travel, and innovation. He has addressed the United Nations and the World Bank, spoken at the headquarters of Apple and Google, and delivered keynote speeches at TED events and entrepreneurship conferences around the world.

In 2012, Poon Tip was inducted into the Social Venture Network Hall of Fame, joining celebrated entrepreneurs such as Richard Branson (Virgin Airlines), Anita Roddick (The Body Shop), and Ben Cohen and Jerry Greenfield (Ben & Jerry's Ice Cream). He was also awarded a Queen Elizabeth II Diamond Jubilee Medal, which recognizes significant contributions to society, and named EY Entrepreneur of the Year in 2016, 2006 and 2002. In 2018, he was inducted into the British Travel and Hospitality Hall of Fame, and honored as one of AFAR USA's 'Travel Vanguard' — a visionary travel industry leader who is changing the face of travel for the better. He was also honored as one of Canada's Most Admired CEOs in the category of social entrepreneurship. In late 2019, he entered Glassdoor's Top CEOs list at No. 10.

Poon Tip's first book, "Looptail: How One Company Changed the World by Reinventing Business," was released in 2013 and became a *New York Times* bestseller, and the first business book to be endorsed by His Holiness the Dalai Lama, who penned the book's foreword. In 2015, he released his second book, "Do Big Small Things," a beautifully designed journal about life and travel that takes readers on a journey and encourages them to share their own inspirations and creativity.

Poon Tip is also executive producer of the 2022 documentary film "The Last Tourist," which examines important issues facing travel and tourism, and empowers audiences with the knowledge to fundamentally change the way they travel. "The Last Tourist" was awarded the Special Jury Prize for Social Impact by the Canadian Documentary Jury at the Calgary International Film Festival.

The deans and faculty of the John Hazen White College of Arts & Sciences, the College of Business, the College of Engineering & Design, the College of Health & Wellness, the College of Hospitality Management and the College of Professional Studies proudly present their Classes of 2022.

Symbols of Commencement

UNIVERSITY SEAL

The university seal represents Johnson & Wales University's roots. The year at the top of the shield, 1914, is the year that the university was founded by Gertrude I. Johnson and Mary T. Wales. The dragon of St. George on the upper portion of the crest honors the Wales family, while the lower portion of the crest bears the cross of St. John and honors the Johnson family.

MACE

The Johnson & Wales University mace symbolizes the ideals and values of JWU's educational philosophy. Cast of silver and bronze, it is engraved with the names of our chancellors, past and present. Our campus locations are engraved on the golden bands. On ceremonial occasions, university officials carry the mace to display the unity and continuity of Johnson & Wales University.

The mace dates to medieval times, when it was first used as a weapon. Forbidden to use swords, medieval European bishops were allowed to enter battle with a mace — typically an iron or steel club designed to split armor. By the 16th century, the mace had become a symbol of authority that colleges and universities began using ceremonially. That tradition continues today, and the mace is carried as part of formal academic occasions like these at colleges and universities across the globe.

ACADEMIC DRESS

The tradition of wearing distinctive dress for academic reasons dates back to the Middle Ages. Today, academic costumes are usually worn in the United States by people participating in academic ceremonies.

The faculty and platform party wear regalia representative of the degrees they possess.

The academic dress worn by graduates at today's ceremony are 100% certified recycled polyester fabric that can be recycled and made back into future gown products, helping to divert from landfills. Following the ceremony, graduates can drop their gowns in the nearest Renew Gown collection box and keep their cap and tassel as mementos of their achievement. Each recycled gown saves 29 plastic bottles from landfills, reduces carbon dioxide emissions by 1.5 pounds, and saves half a gallon of gasoline.

HOODS

Originating from the cowls of monastic orders, the hoods are the most distinctive part of the academic regalia. Their shape and size indicate the level of degree attained, and the colors reflect both the academic field as well as the institution that granted the degree.

The fields of study most frequently represented in academic processions are the following:

FIELD OF STUDY	COLOR
Arts	Gold
Business, Commerce, Fine Arts, Sciences	Drab
Education	Light Blue
Occupational Therapy	Slate Blue
Physician Assistant Studies	Green

CAPS

There is more variety in the shape and color of academic hats than in any other area. Master's and doctoral degree recipients wear the tassel on the left throughout the ceremony, and the doctoral soft-cap often features a gold tassel.

To attendees of this event:

Attendance at this event constitutes each individual's consent to Johnson & Wales University to have their image and voice recorded and retransmitted for any and all purposes at the university's discretion. *If you do not agree with the foregoing, please see a university special events staff member.*
