CELEBRATING  
A CENTURY OF INNOVATION

1914–2014

*In celebration of Johnson & Wales University's Centennial in 2014, we commemorate its abiding stature as an innovative education leader. What began as a small secretarial school founded by Gertrude I. Johnson and Mary T. Wales is now a globally recognized university attracting students from 90 countries.*

*Johnson & Wales has pioneered a model of experiential learning increasingly emulated in higher education.*

*By integrating an industry-focused curriculum and the rigor of liberal arts with real-world experience and community involvement, JWU's approach inspires both professional success and lifelong personal growth.*

*As we move into our second century, we are making an unprecedented investment in Johnson & Wales' future, strengthening the university's status as a leader recognized for its highly effective 21st-century model of higher education.*

**Tribute to Vilma Triangolo**

**Vilma G. Triangolo '36, '88 Hon.**

*The 2014 Commencement ceremonies at the four Johnson & Wales University campuses are dedicated to the memory of Vilma G. Triangolo '36, '88 Hon., wife of Johnson & Wales' first president and co-director, Edward P. Triangolo Sr.*

*A link to the university's past and its two pioneering founders, Mrs. Triangolo was one of the school's most fervent supporters having been a student, staff member, teacher, co-owner and honorary trustee. Mrs. Triangolo enriched the lives of many in the university family through her generous spirit, love of education and devotion to our students. The quintessential champion of JWU, she will be greatly missed by all who knew her.*

## *Honorary Degree Recipient*

**H. SEAN BROCK '00**

*Doctor of Culinary Arts*

Many chefs have their first exposure to cooking at a young age. For Sean Brock, born and raised in rural Virginia, it was the experience of his family growing their own food that left a deep impression. Learning to grow and cook everything he ate served inspired a lifelong passion for exploring the roots of Southern food and recreating it by preserving and restoring heirloom ingredients.

After graduating from Johnson & Wales University in Charleston, S.C., he began his professional career as chef tournant under Chef Robert Carter at the Mobil Four-Star/AAA Four-Diamond Peninsula Grill in Charleston. Two years later Brock was executive sous chef under Chef Walter Bundy of Lemaire Restaurant at the AAA Five-Diamond Award/Mobil Five-Star Jefferson Hotel in Richmond, Va. His success in Richmond led to his promotion within the Elite Hospitality Group in 2003 to executive chef at the AAA Five-Diamond Hermitage Hotel in Nashville, Tenn., and later became executive chef at McCrady's Restaurant.

Wanting to rekindle historic Southern cuisine, Brock became a passionate advocate for seed preservation and he continues to grow a number of heirloom crops. Brock has also studied 19th century Southern cookbooks to educate himself on Southern food history and discover new ways to resurrect antebellum cuisine.

In November 2010 Brock and the Neighborhood Dining Group opened Husk, serving only food that is indigenous to the South. Inspired by the restaurant's success in Charleston, a second location of Husk was opened in Nashville in 2013.

Brock's awards and accolades are numerous including being a finalist for the James Beard "Rising Star Chef" award in 2008 and 2009, and winning the James Beard award for "Best Chef Southeast" in 2010. He was a finalist for the James Beard "Outstanding Chef" award for 2013 and a semifinalist in 2014; appeared on "Iron Chef America" in December 2010, and in September 2011 Bon Appétit magazine named Husk "Best New Restaurant in America."

Later that year, Brock joined an exclusive group of chefs from around the world in Japan to take part in the prestigious Cook It Raw, an event he went on to host two years later in Charleston. In 2013, Brock hosted season two of Anthony Bourdain's "The Mind of a Chef" on PBS and in 2014, GQ named Husk Nashville one of the 12 Most Outstanding Restaurants of the year.

## *Honorary Degree Recipient*

### **SHEILA CRUMP JOHNSON**

*Doctor of Business Administration in International Hotels & Tourism Management*

Sheila C. Johnson is a successful entrepreneur and impassioned philanthropist. As CEO of Salamander Hotels and Resorts, a hospitality company she founded in 2005, she oversees a growing portfolio of luxury properties, including three Florida golf and family resorts reaching from the Gulf to the Atlantic.

Johnson is also a partner in ProJet Aviation, a comprehensive aviation service company and Mistral, the makers of fine bath, body and home products. In November 2012 she launched her own collection of luxury scarves manufactured in Italy. In 2013, she was invited to serve as a judge for Ernst & Young's World Entrepreneur of the Year Award — the only U.S. judge on the international panel.

Vice chairman of Monumental Sports & Entertainment and president and managing partner of the WNBA's Washington Mystics, Johnson is the only African-American woman to have ownership in three professional sports teams, including the NBA's Washington Wizards and the NHL's Washington Capitals. She also serves on the Executive Committee of the United States Golf Association.

A powerful influence in the entertainment industry, starting with her work as founding partner of Black Entertainment Television, she has served as executive producer of four documentary films, and also helped finance the Screen Actors Guild nominated feature film "The Butler."

A strong supporter of education and the arts, Johnson serves on the board of governors of Parsons The New School for Design in New York, and is a member of the Leadership Council at Harvard Kennedy School's Center for Public Leadership. She is also a board member of the Sundance Institute and the ANNIKA Foundation, as well as founder and chair of the Middleburg Film Festival.

In 2006, she was named global ambassador for CARE, a leading humanitarian organization that combats global poverty by empowering women. Since 2011, she has served as a member of Accordia Global Health Foundation's International Council, working to overcome infectious diseases in Africa. President Barack Obama recently appointed her to the President's Committee on the Arts and the Humanities, and she also sits on the board of numerous foundations and universities.

An accomplished violinist, Johnson received a Bachelor of Arts in music from the University of Illinois, as well as honorary degrees from numerous other institutions. She lives in Middleburg, Va., is married to the Honorable William T. Newman, Jr., and has two children.

## *Symbols of Commencement*

### **ACADEMIC DRESS**

The tradition of wearing distinctive dress for academic reasons dates back to the Middle Ages. Today, academic costumes are usually worn in the United States by people participating in academic ceremonies. Bachelor's degree recipients wear academic hoods representing their higher level of education. The hood worn at JWU is black with blue, white and golden-yellow trim to signify the school colors.

The faculty and platform party wear regalia representative of the degrees they possess. The honorary degree recipients will wear the academic costume and hood appropriate for the degree being conferred upon them.

### **HONORS GOLD STOLE**

Students graduating from the university's Honors Program have completed an enhanced undergraduate curriculum and have maintained at least a 3.40 cumulative GPA. They wear an embroidered gold stole to recognize their exemplary academic achievement.

### **GOLD CORD**

Students graduating cum laude or above, as of winter term 2014, are designated by gold cords.

### **HONORS**

Eligible degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic program average. Students with the designated graduating GPA are eligible to receive Latin honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

Throughout their studies outstanding students earn additional accolades at Commencement which are reflected by the numerical designations in this program including

#### **1. University Honors Scholar**

The University Honors Scholar designation is awarded to students who complete major-specific Honors course requirements at the bachelor's level as well as an Honors Thesis while maintaining a cumulative GPA of 3.4 or higher. This is one of Johnson & Wales University's highest undergraduate awards.

#### **2. Honors Scholar**

The Honors Scholar designation is awarded to students who complete major-specific Honors course requirements at the bachelor's level while maintaining a cumulative GPA of 3.40 or higher.

#### **3. Honors Associate**
