## CELEBRATING A CENTURY OF INNOVATION 1914 – 2014

In celebration of Johnson & Wales University's Centennial in 2014, we commemorate its abiding stature as an innovative education leader. What began as a small secretarial school founded by Gertrude I. Johnson and Mary T. Wales is now a globally recognized university attracting students from 90 countries.

Johnson & Wales has pioneered a model of experiential learning increasingly emulated in higher education.

By integrating an industry-focused curriculum and the rigor of liberal arts with real-world experience and community involvement, JWU's approach inspires both professional success and lifelong personal growth.

As we move into our second century, we are making an unprecedented investment in Johnson & Wales' future, strengthening the university's status as a leader recognized for its highly effective 21st-century model of higher education.

**VILMA G. TRIANGOLO '36, '88 HON.**  
*May 10, 1917–January 6, 2014*

The 2014 Commencement ceremonies at the four Johnson & Wales University campuses are dedicated to the memory of Vilma G. Triangolo '36, '88 Hon., wife of Johnson & Wales' first president and co-director, Edward P. Triangolo Sr.

A link to the university's past and its two pioneering founders, Mrs. Triangolo was one of the school's most fervent supporters having been a student, staff member, teacher, co-owner and honorary trustee. Mrs. Triangolo enriched the lives of many in the university family through her generous spirit, love of education and devotion to our students. The quintessential champion of JWU, she will be greatly missed by all who knew her.

### CAROLYN RAFAELIAN

*Doctor of Business Administration in Entrepreneurship*

Carolyn Rafaelian, founder and creative director, Alex and Ani LLC, hails from a family of jewelers in R.I., once the “jewelry capital” of the world.

From an early age, Rafaelian knew she was destined to be part of the next generation to continue working in the jewelry industry, and she apprenticed under her father, Ralph, where she learned her deep-rooted work ethic. In 2002 Rafaelian became co-owner of her father’s company with her sister, and her designs became the main seller for the company.

Using her skills, experience and entrepreneurial spirit, Rafaelian launched Alex and Ani in 2004, naming the lifestyle company after her first two daughters. In naming the company after her daughters her goal was to leave them a legacy when they were older. What began with five cocktail rings has expanded into a full line of jewelry anchored by its patented expandable wire bangle.

Driven by her passion, energy and love for what she does, sales and growth for Alex and Ani, based in Cranston, R.I. and New York City, have skyrocketed. Its products have graced many high-profile magazines including *W Magazine*, *Real Simple*, *Lucky*, *More*, *Redbook* and *Elle Spain*, among others. A-list celebrities spotted wearing the jewelry include Beyoncé, Sandra Bullock, Carrie Underwood and Kerry Washington, to name a few.

Alex and Ani accessories are carried by some of the finest department stores and boutiques around the world and through the company’s own storefronts — now up to 40.

Rafaelian has also expanded her company beyond the world of jewelry to encompass a media agency, a string of coffee bars called Teas and Javas, the Rhode Island winery Carolyn’s Sakonnet Vineyard, and a beauty line. The global presence of Alex and Ani now includes operations in 10 countries and 11 Caribbean islands.

Rafaelian’s perseverance and creativity has been noticed and applauded. She was included in *Inc. Magazine’s* 2012 list of fastest growing, privately owned companies in America. She was named Ernst & Young’s New England Entrepreneur of the Year 2012 and received 2012 SBA Rhode Island Small Business Person award.

Dedicated to giving back to the community, she has been a strong supporter of Project USA, a nonprofit that has helped raise funds for breast cancer survivors, victims of Hurricane Katrina and others. Passionate about endangered species, she works tirelessly on projects to save seals and wild mustangs.

Rafaelian has three daughters, Alexandra, Ani and Alivia, and lives in Rhode Island.

## Honorary Degree Recipient

### EDWARD P. TRIANGOLO JR.

*Doctor of Business Administration in Accounting*

For Edward Triangolo Jr., Johnson & Wales has always been family.

An easy going leader vested in the success of the school, he is a mirror image of his father, the first president of Johnson & Wales, and carries the same dedication to the school and its students as his mother. In fact, he has seen the school grow from a business school to a junior college to its current status as a degree-granting university with four campuses.

His mother Vilma, one of the school’s most fervent supporters, was a former student, staff member, teacher, co-owner and trustee of Johnson & Wales. The quintessential champion of the school, she was a sharp-witted, savvy businesswoman who helped shape a small business school into a globally recognized university. She was a student of its first administration, matriarch of its second, and more than anyone associated with JWU, she linked its past and its two pioneering founders to its present.

Much like his father, Triangolo has dedicated his time and energies to enhancing the reputation and stature of the university. A firm believer in helping students achieve their dream of a college education, he has been very influential as a key member of the board of trustees and chair of the budget and finance committee.

Diligent, focused and dedicated to his clients, Triangolo believes in setting the standards for his profession. With an illustrious career as a tax accountant spanning more than 40 years, he is a member of the National Society of Tax Professionals in Vancouver, Wash.; National Society of Accountants, Alexandria, Va. and treasurer of the Broward Business Associates, Ft. Lauderdale, Fla.

President of Triangolo Professional Group, an accounting firm in Sunrise, Fla., Triangolo received a degree in mathematics from Brown University in 1964 and a master of business degree in 1968 from the University of Florida.

A proud Navy veteran and avid Boston sports fan, he resides in Ft. Lauderdale, Fla. with his daughter, Lindsey.

Deans Angela Renaud, Ed.D.; Michael Petrillose, Ph.D.; Frank Tweedie '98 MS; and the faculty of the John Hazen White School of Arts & Sciences College of Business and School of Technology proudly present their Classes of 2014.

Congratulations to Elizabeth Cannata, College of Business Teacher of the Year,  
Deana Marzocchi, School of Technology Teacher of the Year and  
Emily Spitzman, Ed.D., John Hazen White School of Arts & Sciences Teacher of the Year.

*Diplomas will be awarded upon completion of all university requirements.*

The appearance of a student's name in this program does not necessarily indicate that all graduation requirements have been met. Graduate names are based on records posted on the university's Student Academic Services website, with spellings verified by students and submitted for publication as of April 18, 2014.  
Alpha Beta Kappa designations were determined as of April 18, 2014.

For the safety of everyone in attendance and to comply with local fire department regulations, guests are requested to remain in their seats during the program.  
Guests will not be allowed onto the arena floor or in the exhibition area where graduates enter and exit the arena.  
Ushers are stationed at the foot of each aisle should you need assistance.

After the ceremony, guests may join the graduates in either the front lobby or the front entrance area outside the Dunkin' Donuts Center.  
Once the academic recessional has ended, graduates and guests may return to the arena to use the stage as a backdrop for photographs.

## *Symbols of Commencement*

### **ACADEMIC DRESS**

The tradition of wearing distinctive dress for academic reasons dates back to the Middle Ages. Today, academic costumes are usually worn in the United States by people participating in academic ceremonies. Bachelor's degree recipients wear academic hoods representing their higher level of education. The hood worn at JWU is black with blue, white and golden-yellow trim to signify the school colors.

The faculty and platform party wear regalia representative of the degrees they possess. The honorary degree recipients will wear the academic costume and hood appropriate for the degree being conferred upon them.

### **HONORS GOLD STOLE**

Students graduating from the university's Honors Program have completed an enhanced undergraduate curriculum and have maintained at least a 3.40 cumulative GPA. They wear an embroidered gold stole to recognize their exemplary academic achievement.

### **GOLD CORD**

Students graduating cum laude or above, as of Winter Term 2014, are designated by gold cords.

### **BLUE & WHITE CORD**

Students who have participated in co-curricular activities designated by university parameters are distinguished by a blue and white cord.

### **HONORS**

Eligible degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic program average. Students with the designated graduating GPA are eligible to receive Latin honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

Throughout their studies outstanding students earn additional accolades at Commencement which are reflected by the numerical designations in this program including

#### **1. Alpha Beta Kappa Honor Society**

Alpha Beta Kappa is a national honor society that recognizes superior student academic achievement, character and leadership. Students must have a minimum 3.90 cumulative GPA to be invited to join the honor society.

#### **2. University Honors Scholar**

The University Honors Scholar designation is awarded to students who complete major-specific Honors course requirements at the bachelor's level as well as an Honors Thesis while maintaining a cumulative GPA of 3.4 or higher. This is one of Johnson & Wales University's highest undergraduate awards.

#### **3. Honors Scholar**

The Honors Scholar designation is awarded to students who complete major-specific Honors course requirements at the bachelor's level while maintaining a cumulative GPA of 3.40 or higher.

#### **4. Honors Associate**
