### **EDWARD OTIS HANDY III**

*Doctor of Business Administration in Finance*

Edward Otis Handy III is president and chief operating officer of The Washington Trust Company. He spent 18 years at Citizens Financial Group, most recently serving as president of Citizens Bank Rhode Island and Connecticut. He held various executive positions during his tenure at Citizens, including president and CEO of Citizens' subsidiary, Charter One Bank of Ohio, and head of Citizen's national commercial real estate finance division. Handy also served as a member of Citizens' Executive Leadership Group. He began his career in commercial lending at Fleet Financial Group.

A 1984 Brown University graduate with a degree in urban studies, Handy enjoys actively enriching people's lives, whether at work or in the community. He serves on numerous Rhode Island boards including the Rhode Island Foundation, Crossroads Rhode Island, Delta Dental of Rhode Island, Rhode Island Hospital Foundation, Providence Foundation, and Greater Providence Chamber of Commerce. He is the capital campaign chair for Amos House and also serves as a member of the Providence College Presidents Council, Salve Regina University Presidents Council and the Rhode Island Commodores.

Handy was an original board member and has been a long-term supporter of the San Miguel School, an independent middle school for male urban youth from the Greater Providence area, at which his wife Polly is vice chair of the board. The Handy family is committed to making quality private education available to students and families of all ethnicities who have limited financial means — and provide a structured and caring environment for students to learn, serve and grow to the best of their abilities.

Handy's athletic interests include tennis, hockey, platform tennis, biking and golf. He loves being outdoors hiking, climbing, boating and fishing. He also enjoys woodworking and music, including playing guitar and piano.

## *Honorary Degree Recipient*

**CLAY ALAN SNYDER '93**

*Doctor of Business Administration in Travel-Tourism & Hospitality Management*

Clay Alan Snyder '93 is senior director of brand management for Hilton Worldwide, overseeing Hilton Resorts & Hotels, DoubleTree by Hilton, and more recently the Curio Collection by Hilton. He educates hotel teams, management companies and ownership groups on best practices that achieve the best financial results while still taking great care of their guests.

In the past 10 years, he's helped grow the DoubleTree by Hilton from a small brand with 150 hotels in North America to a globally recognized name with more than 400 locations in 36 countries around the world today — including Europe, Asia and the Middle East.

Snyder knew he wanted to work in the industry at age 11 when he walked into the beautiful lobby of a New York City hotel. As a freshman student at JWU, he worked his first hotel position as a valet and was promoted to a management role by his junior year. He also helped establish a fraternity on campus, his first experience at building a successful team that would ripple throughout his career. After graduation, he held various positions at the Omni, Adams Mark, Renaissance, Westin and Wyndham hotels before becoming general manager of Interstate Hotels & Resorts in Atlanta in 1996.

Snyder strongly promotes continuing the legacy of Conrad Hilton to “fill the Earth with the light and warmth of hospitality” by spending time giving back to local communities, schools and industry while educating and introducing them to philanthropy. He's an active alumnus, extending the relationship between Hilton Worldwide and JWU through scholarship, recruiting, faculty and student education, and sponsorship of national student organizations. As alumni council president, he established regional alumni chapters and set the foundation for a blossoming alumni organization worldwide. He became a JWU trustee in 2012, the same year he was inducted into the World Association of Cooperative Education's Hall of Fame.

Snyder lives in Dallas, Ga., with his wife Linda and their two sons, Conner and Carter. He enjoys camping, tailgating and sports with his family.

## A GLOBAL UNIVERSITY

At Johnson & Wales, we've always been committed to embracing diversity and an international perspective to help foster a richly inclusive educational experience for all of our students.

As such, the university has a long and proud history of welcoming students from across the globe. In fact, our more than 8,800 international alumni — representing 161 countries — are a testament to our unique approach to experiential education, and to our welcoming and supportive culture.

Today, we're honored to host the more than 1,600 international students from nearly 100 countries who are such an integral part of our university community, making Johnson & Wales among the top 100 colleges and universities in the United States for international student enrollment.

We're equally committed to enriching and expanding opportunities for global learning, and to enhancing opportunities for global citizenship. In addition to the 35 countries in which our students completed internships last year, the number of students who took advantage of our 40 study abroad programs across six continents placed JWU among the top 25 master's level institutions in the United States for number of students who studied abroad.

To all of our international graduates celebrating with us today, we thank you for your significant contributions to the JWU experience, and we wish you much success in all your personal and professional endeavors.

### *Diplomas will be awarded upon completion of all university requirements.*

The appearance of a student's name in this program does not necessarily indicate that all graduation requirements have been met. Graduate names are based on records posted on the university's Student Academic Services website, with spellings verified by students and submitted for publication as of April 17, 2015.  
Alpha Beta Kappa designations were determined as of April 17, 2015.

For the safety of everyone in attendance and to comply with local fire department regulations, guests are requested to remain in their seats during the program. Guests will not be allowed onto the arena floor or in the exhibition area where graduates enter and exit the arena. Ushers are stationed at the foot of each aisle should you need assistance.

After the ceremony, guests may join the graduates in either the front lobby or the front entrance area outside the Dunkin' Donuts Center. Once the academic recessional has ended, graduates and guests may return to the arena to use the stage as a backdrop for photographs.

For your convenience, today's commencement ceremony is being professionally photographed (and videotaped) by Grad Images®. For information on ordering photos (or a DVD of the ceremony), please contact Grad Images® at 800-261-2576 or online at [www.gradimages.com](http://www.gradimages.com). Grad Images® has agreed to provide a free 5x7 of the graduate's choice to each graduate that provides his/her email and mailing address to Grad Images®. ## *Symbols of Commencement*

### **ACADEMIC DRESS**

The tradition of wearing distinctive dress for academic reasons dates back to the Middle Ages. Today, academic costumes are usually worn in the United States by people participating in academic ceremonies. Bachelor's degree recipients wear academic hoods representing their higher level of education. The hood worn at JWU is black with blue, white and golden-yellow trim to signify the school colors.

The faculty and platform party wear regalia representative of the degrees they possess. The honorary degree recipients will wear the academic costume and hood appropriate for the degree being conferred upon them.

### **HONORS GOLD STOLE**

Students graduating from the university's Honors Program have completed an enhanced undergraduate curriculum and have maintained at least a 3.40 cumulative GPA. They wear an embroidered gold stole to recognize their exemplary academic achievement.

### **GOLD CORD**

Students graduating cum laude or above, as of Winter Term 2014, are designated by gold cords.

### **BLUE & WHITE CORD**

Students who have participated in co-curricular activities designated by university parameters are distinguished by a blue and white cord.

### **HONORS**

Eligible degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic program average. Students with the designated graduating GPA are eligible to receive Latin honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

Throughout their studies outstanding students earn additional accolades at Commencement which are reflected by the numerical designations in this program including

#### **1. Alpha Beta Kappa Honor Society**

Alpha Beta Kappa is a national honor society that recognizes superior student academic achievement, character and leadership. Students must have a minimum 3.90 cumulative GPA to be invited to join the honor society.

#### **2. University Honors Scholar**

The University Honors Scholar designation is awarded to students who complete major-specific Honors course requirements at the bachelor's level as well as an Honors Thesis while maintaining a cumulative GPA of 3.4 or higher. This is one of Johnson & Wales University's highest undergraduate awards.

#### **3. Honors Scholar**

The Honors Scholar designation is awarded to students who complete Honors program requirements at the bachelor's level while maintaining a cumulative GPA of 3.40 or higher.

#### **4. Honors Associate**
