---

Dear Families, Friends and Graduates of the Class of 2011:

Today is a day of celebration. Our 97th Commencement Ceremony recognizes and honors the achievements of our graduates as they begin the next stage of their lives. For some, it will mean continuing to live in Rhode Island as they pursue their careers or further their education. For others, it will be an exciting opportunity in different state or country, strengthening Johnson & Wales' global reach. My colleagues and I wish today's graduates great success as they embark upon their futures.

There have been dramatic changes in the global and U.S. economy since our students first entered the university. During this economic unrest, one thing has remained constant: the value of a college degree. By choosing to come to Johnson & Wales University, our students are graduating today with the knowledge and skills, combined with experiential education and leadership opportunities that will propel them on the path to professional success.

To the friends, families and mentors of our graduates, I thank you all for the support you shared as these students pursued their education. To our graduates, I commend you for your accomplishments both here at JWU and in the communities that you will impact along the way as you pursue your passions, dreams and careers. Wherever life takes you, I hope you will remember our campus as a place for exploration and growth where you can return to renew acquaintances and share accomplishments.

On behalf of all the members of the JWU community – our faculty, staff and administration – I offer heartfelt congratulations and wish you peace and prosperity in the years ahead.

Sincerely,

A handwritten signature in cursive script that reads "Irving Schneider". The signature is written in dark ink and is positioned above the printed name.

Since joining Ecolab in 1989, Baker has held various leadership positions within the company's institutional and European operations, and at its Kay Chemical Company. He was named Ecolab's president and chief operating officer in 2002, promoted to president and CEO in 2004, and additionally took on the role chairman of the board for Ecolab in 2006.

Prior to joining Ecolab, Baker was employed by The Procter & Gamble Company in various marketing and management positions.

A dynamic member of the business community, Baker has served on many boards and committees including being chairman of the Minnesota Business Partnerships and a trustee of the National Restaurant Association Education Foundation, Chicago, Ill. He is currently a board member of U.S. Bancorp, Minneapolis, Minn., and executive committee member of Early Learning Foundation, also in Minneapolis.

## *Honorary Degree Recipient*

### **LOUIS "BOB" TRINCHERO**

*Doctor of Oenology*

Louis "Bob" Trinchero's ancestors were involved in the wine business in Italy for six generations before his father, Mario, and his uncle, John, immigrated to the United States in the 1920s.

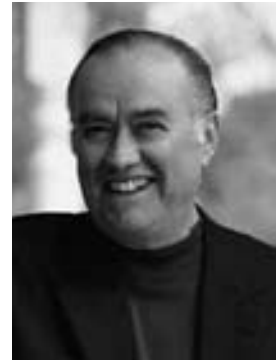

In 1947 the Trinchero brothers purchased Sutter Home Winery in Napa Valley, Calif., where "Bob" Trinchero, chairman of the board of Trinchero Family Estates, learned winemaking from the ground up.

After high school Trinchero spent four-years in the Air Force and then returned to Sutter Home to succeed his uncle as winemaker. He upgraded the winery's product line and in 1968 converted Sutter Home into a zinfandel-only winery. Four years later he introduced White Zinfandel, changing the face of the American wine industry.

A man devoted to his craft, Trinchero served as past chairman of the Wine Institute and past president of Napa Valley Vintners.

Actively involved in and appreciated by his community, Trinchero's honors include being named Philanthropists of the Year, along with his wife, Evalyn, by Pacific Union College in 2002, St. Helena Citizen of the Year in 1996, received *Wine Spectator's* Distinguished Service Award in 1996, and named Business Person of the Year by the St. Helena Rotary Club in 1990. He also supports several charities including the Boys and Girls Club, the Napa Valley Opera House and the Napa Valley Symphony, among others.

Well known for his wit and refreshing perspective on the wine industry, Trinchero lives in St. Helena with his wife. They have two children, David and Gina Trinchero.

Deans Kevin Duffy, Richard Brush, Angela Renaud and the faculty of the College of Culinary Arts, The Hospitality College, and School of Arts & Sciences proudly present their Classes of 2011.

**Congratulations to Michael Makuch, College of Culinary Arts Teacher of the Year, Donna Thomsen, John Hazen White School of Arts & Sciences Teacher of the Year and Leslie Kosky, The Hospitality College Teacher of the Year.**

#### *Diplomas will be awarded upon completion of all university requirements.*

The appearance of a student's name in this program does not necessarily indicate that all graduation requirements have been met. Graduate names are based on records posted on the university's Student Academic Services Web site, with spellings verified by students and submitted for publication as of April 18, 2011.  
Alpha Beta Kappa designations were determined as of April 18, 2011.

For the safety of everyone in attendance and to comply with local fire department regulations, guests are requested to remain in their seats during the program.  
Guests will not be allowed onto the arena floor or in the exhibition area where graduates enter and exit the arena.  
Ushers are stationed at the foot of each aisle should you need assistance.

After the ceremony, guests may join the graduates in either the front lobby or the front entrance area outside the Dunkin' Donuts Center.  
Once the academic recessional has ended, graduates and guests may return to the arena to use the stage as a backdrop for photographs.

For your convenience, today's commencement ceremony is being professionally photographed (and videotaped) by Grad Images®.  
For information on ordering photos (or a DVD of the ceremony), please contact Grad Images® at 800-261-2576 or online at [www.gradimages.com](http://www.gradimages.com).  
Grad Images® has agreed to provide a free 5x7 of the graduate's choice to each graduate that provides his/her e-mail and mailing address to Grad Images®.

## **ACADEMIC DRESS**

The tradition of wearing distinctive dress for academic reasons dates back to the Middle Ages. Today, academic costumes are usually worn in the United States by people participating in academic ceremonies. The academic dress at Johnson & Wales University meets the standards set by the Intercollegiate Bureau of Academic Costume. All students wear the standard black gown and square “Oxford cap.”

Students graduating with at least a 3.40 cumulative grade point average (GPA) wear a gold cord to designate their honors status.

Bachelor’s degree recipients also wear academic hoods representing their higher level of education. The hood worn at JWU is black with blue, white and golden-yellow trim to signify the school colors.

The faculty and platform party wear regalia representative of the degrees they possess. The president and other university officials wear caps and gowns designed exclusively for JWU. The honorary degree recipients will wear the academic costume and hood appropriate for the degree being conferred upon them.

## **TASSEL**

The tassels worn on the graduation caps are usually black in color and worn on the right front side of the cap before degrees are conferred and moved to the left after the degrees are awarded.

## **JOHNSON & WALES UNIVERSITY MACE**

The Johnson & Wales University mace symbolizes the ideals and values of JWU’s educational philosophy, and serves as a timeline of the university’s history. The mace was designed and created in 2002 to serve as an emblem of our ideals.

Cast of silver and bronze, it is engraved with the names of our founders and presidents, past and present. Our campus locations are engraved on the golden bands. On ceremonial occasions, university officials carry the mace to display the unity and continuity of Johnson & Wales University.

## **UNIVERSITY SEAL**

The university seal represents Johnson & Wales University’s roots. The year at the top of the shield, 1914, is the year that the university was founded by Gertrude I. Johnson and Mary T. Wales. The dragon of St. George on the upper portion of the crest honors the Wales family, while the lower portion of the crest bears the cross of St. John and honors the Johnson family.

## **UNIVERSITY LOGOTYPE**

**JOHNSON & WALES**  
UNIVERSITY

The university logo was launched in October 2007. As JWU approaches its 100-year anniversary, the logo honors the past by incorporating the family crests of the two founders. It also holds a clear connection to the university seal, further positioning JWU as a leader in higher education. The official colors of blue and white with an accent of gold reflect the university’s history as well.
