Dear Class of 2022,

Today we are here to celebrate you — the members of the Johnson & Wales University graduating Class of 2022. This day marks the culmination of your journey defined by hard work, resilience and the courage to keep going through unprecedented times. Congratulations on arriving at this moment!

Earning your college degree is an extraordinary achievement. As you prepare to cross the stage today to receive your diploma, take a moment to think about all of the people who helped you get here — your family and friends, your professors, advisors, coaches, mentors and staff. We are so proud of what you have accomplished.

Over the past two years, you have pursued your education during a global pandemic that has reset the course of history, disrupted our economy and reshaped our lives. I remain in awe of how you have nimbly adjusted to so much change and uncertainty, and how you continue to adapt to meet the challenges of our time.

The education and opportunities you have experienced while attending Johnson & Wales University have prepared you for what lies ahead. I know that you will embrace the future with the purpose and determination you have shown throughout your years at JWU.

Your feeling of belonging to the Providence Campus will deepen over time as you benefit from your Johnson & Wales degree and alumni connections. You will always have a home at JWU. You are Wildcats for life. As an alumna myself, I am humbled to be a part of this remarkable JWU alumni family.

Now, it is time to make your mark on the world. Like so many who have come before you at JWU, I know you will find success in your professional pursuits.

On behalf of the entire university community, we are so grateful you chose JWU and wish you all the best for a bright future.

With warm regards,

## Student Speaker

### **ESMERALDA BENCOSME '22**

*Culinary Arts*

A native of New Jersey, Esmeralda Bencosme '22 is graduating today with a Bachelor of Science degree in Culinary Arts and a 3.5 GPA. She is well experienced in leading groups and taking control of complicated situations. Highly organized and methodical, she was selected to work as an administrative office assistant in the Dean's Office during her sophomore year. Since the end of her sophomore year, Bencosme has been the lead operational assistant for JWU's culinary operations. She has assisted students and chefs with classroom and academic needs, maintained proper distribution and organization of equipment and food products through the culinary buildings, and led and operated students events and skill sessions. This past semester she held a pivotal role in JWU's culinary storeroom and the management of its supply chain. During this internship she forecasted, purchased, portioned and distributed proteins; managed orders, substitutions and lead times; and verified the accuracy of filled requisitions for distribution. Performing these jobs well is its own complex choreography, so it is no wonder that she is also a member of the Ataxia Hip Hop Dance Team and serves as its president and captain.

### **GEOFFREY SOSA LANEZ '12, '14 MBA, CEC**

*Executive Chef, The Patterson Club*

Chef Geoffrey Sosa Lanez '12, '14 MBA, CEC, is the executive chef at The Patterson Club in Fairfield, Connecticut. He oversees a team of about 40 staff and three kitchens to produce high-quality dining experiences for club members.

After finishing his bachelor's degree in Food Service Management in 2012, Lanez transitioned into JWU's MBA program, where he continued his advanced training and participated in rigorous competitions. He also became a member of the JWU Management Development Program, where he managed a team of fellows, teaching assistants, and work-study students. In 2012, he was chosen to be an apprentice for the American Culinary Federation (ACF) USA National Culinary Team in the IKA/Culinary Olympics. In 2013, he was captain of a team that competed in the ACF National Student Team Competition and earned a silver medal. He later represented the Northeast Region in the ACF National Convention in 2014 as a contender for Student Chef of the Year. During the fall of that year, he represented the United States in the Chaîne des Rôtisseurs Young Chef Competition in Durban, South Africa.

Lanez cooked at the prestigious Somerset Club in Boston, Massachusetts, becoming a sous chef there in 2016 while working toward becoming an ACF Certified Executive Chef. During the summer of 2017, he was one of six chefs selected to be on the ACF Culinary Team USA. This team represented the U.S. in two major competitions: the World Cup in Villeroy 2017 and Boch 2019 Culinary World Cup in Luxembourg, where it received two silver medals. The team then competed in the 2020 IKA/Culinary Olympics in Stuttgart, Germany, where it received two more medals: a silver and a bronze.

Lanez's goals are to compete for the title of ACF's Chef of the Year and to become a Certified Master Chef.

## *Honorary Degree Recipient*

### **STANLEY K. CHENG**

*Doctor of Business Administration*

Stanley K. Cheng was born and raised in Hong Kong where his family owned an aluminum products manufacturing plant. After graduating from Oregon State University with a degree in mechanical engineering, he returned to Hong Kong and converted the plant into a cookware production facility. Cheng's first line of cookware was launched in 1972, and in 1981 he founded the Meyer Corporation, U.S. headquartered in northern California.

Today, Meyer affiliates around the world include cookware marketing distribution arms and factories in seven countries throughout North America, Asia and Europe. The numerous factories worldwide manufacture and distribute over 100 cookware lines in more than 30 countries, producing tens of millions of pans per year. Cheng is credited with revolutionizing the cookware industry with a number of technological "firsts," establishing Meyer as a leader in cookware quality, innovation, technology and design.

In 2015, Cheng launched Hestan Commercial Corporation, producing high-end, elegantly designed commercial kitchen appliances in a state-of-the-art facility in Anaheim, California. With culinary excellence at the heart of its endeavors, Hestan Commercial is designed with input from leading kitchen designers and some of the world's top chefs and holds eight utility patents (11 more pending) and 27 design patents. Hestan Commercial has received three Kitchen Innovations Awards, four Excellence in Design Awards, two VESTA Awards, and five Twice VIP Awards, in addition to numerous accolades from media outlets. Hestan also expanded into luxury appliances for the home, with Hestan Outdoor and Aspire by Hestan grilling lines, Hestan Indoor products, Hestan Nanobond™ Cookware, Hestan ProBond™ Cookware, and Hestan Cue™ smart technology, delivering innovation and peerless performance to the home.

While building a world-class cookware enterprise, Cheng and his wife Helen also established the award-winning Hestan Vineyards, situated on the eastern slopes of Napa Valley.

For decades, Cheng has been a thought leader in the cookware industry from product technology and innovation, to manufacturing and warehousing, to marketing. He continues to see opportunities in cookware, food and wine with the same passion and visionary approach that started it all.

Stanley and Helen Cheng live in California, where they raised their two sons and daughter.

*Diplomas will be awarded upon completion of all university requirements.*

The commencement program listing contains the names of students meeting eligibility criteria and submitted for publication as of April 11, 2022. Names that are printed in the commencement program should not be used as an indicator of degree completion. Students must satisfy all graduation requirements before officially graduating and receiving a diploma.

University Honors Scholar status indicates one of the highest academic honors awarded by the university: successful student participation in the JWU Honors Program and completion of an Honors Thesis. Through this four-year program, academically advanced students receive an honors-caliber education that enriches the university curriculum and builds a diverse community of scholars.

For the safety of everyone in attendance and to comply with local fire department regulations, guests are requested to remain in their seats during the program. Ushers are stationed at the foot of each aisle should you need assistance.

After the ceremony, guests may join the graduates outside under the marquee of the Dunkin' Donuts Center. For your convenience, the commencement ceremony is being professionally photographed by Grad Images®. For information on ordering photos, please contact Grad Images® at 800-261-2576 or online at [gradimages.com](http://gradimages.com). The ceremony is also being streamed live at <http://portal.stretchinternet.com/jwuri>.

# Symbols of Commencement

## UNIVERSITY SEAL

The university seal represents Johnson & Wales University's roots. The year at the top of the shield, 1914, is the year that the university was founded by Gertrude I. Johnson and Mary T. Wales. The dragon of St. George on the upper portion of the crest honors the Wales family, while the lower portion of the crest bears the cross of St. John and honors the Johnson family.

## MACE

The Johnson & Wales University mace symbolizes the ideals and values of JWU's educational philosophy. Cast of silver and bronze, it is engraved with the names of our chancellors, past and present. Our campus locations are engraved on the golden bands. On ceremonial occasions, university officials carry the mace to display the unity and continuity of Johnson & Wales University.

The mace dates to medieval times, when it was first used as a weapon. Forbidden to use swords, medieval European bishops were allowed to enter battle with a mace — typically an iron or steel club designed to split armor. By the 16th century, the mace had become a symbol of authority that colleges and universities began using ceremonially. That tradition continues today, and the mace is carried as part of formal academic occasions like these at colleges and universities across the globe.

## ACADEMIC DRESS

The tradition of wearing distinctive dress for academic reasons dates back to the Middle Ages. Today, academic costumes are usually worn in the United States by people participating in academic ceremonies.

The faculty and platform party wear regalia representative of the degrees they possess.

The academic dress worn by graduates at today's ceremony are 100% certified recycled polyester fabric that can be recycled and made back into future gown products, helping to divert from landfills. Following the ceremony, graduates can drop their gowns in the nearest Renew Gown collection box and keep their cap and tassel as mementos of their achievement. Each recycled gown saves 29 plastic bottles from landfills, reduces carbon dioxide emissions by 1.5 pounds, and saves half a gallon of gasoline.

## HOODS

Originating from the cowls of monastic orders, the hoods are the most distinctive part of the academic regalia. Their shape and size indicate the level of degree attained, and the colors reflect both the academic field as well as the institution that granted the degree.

The fields of study most frequently represented in academic processions are the following:

| FIELD OF STUDY                          | COLOR      |
|---|------------|
| Arts                                    | Gold       |
| Business, Commerce, Fine Arts, Sciences | Drab       |
| Education                               | Light Blue |
| Occupational Therapy                    | Slate Blue |
| Physician Assistant Studies             | Green      |

## CAPS

There is more variety in the shape and color of academic hats than in any other area. Master's and doctoral degree recipients wear the tassel on the left throughout the ceremony, and the doctoral soft-cap often features a gold tassel.
