Congratulations, Class of 2026!

Today, we come together to celebrate you — your accomplishments, your growth, and the incredible journey that brought you to this moment. It is an honor to stand with you as you reach this important milestone.

Your time at Johnson & Wales has shaped you in ways big and small. You've learned, created, explored and persevered. You've built relationships, found communities that have become part of who you are, and developed the confidence and resilience that will guide you in whatever comes next. As a proud JWU alumnus myself, it means a great deal to welcome you into our alumni family — a network of Wildcats who continue to uplift, inspire and support one another long after graduation.

Here at JWU, we talk about The Wildcat Way. But for us, it's not just a saying — it's a way of living. Pride, courage, character and community have been at the heart of your experience here. You have shown these values in your work, in your compassion for others, and in the way you've carried yourselves on this campus. I hope you bring those values with you into the world. They are part of what makes you a Wildcat for life.

As you move forward, embrace the uncertainty and possibility ahead. Stay curious, open and connected to your passions, to the people who matter, and to the Wildcat community that will always be here for you. You are prepared, capable and ready for whatever comes next. We are so proud of you, and we cannot wait to see the future you will build.

With heartfelt congratulations,

A handwritten signature in cursive script that reads "Joseph Greene". The signature is written in a dark ink on a light background.

Joseph Greene '89, '98 M.S., CPA
vice chancellor and Providence Campus president

About Johnson & Wales University

Founded in 1914, Johnson & Wales University is a private, nonprofit, accredited institution with more than 8,000 undergraduate and graduate students at its campuses in Providence, Rhode Island and Charlotte, North Carolina, and through JWU Online. An innovative educational leader, the university offers undergraduate and graduate degree programs in arts and sciences, business, hospitality, food innovation, and health and wellness.

JWU's unique model provides students with the personalized attention, academic expertise and industry connections that inspire professional success and personal growth. The time students spend at JWU is nothing short of transformative, as demonstrated by career outcomes, expected earnings and economic mobility rankings. The university's impact is global, with alumni in 130 countries pursuing careers worldwide.

PRESENTATION OF DEGREE CANDIDATES

Richard Wiscott

CONFERRAL OF DEGREES

Mim L. Runey

RECESSIONAL

Student Speaker

MADELINE STANGE '26

Food & Beverage Entrepreneurship

Raised in northern Michigan, Madeline “Maddy” Stange discovered her love of baking at a young age, which later grew into her small business, Maddy Cakes. As a 4.0 Dean’s List student, she used her time on campus to develop both her craft and her entrepreneurial vision.

Stange served as a resident assistant and as co-founder and president of the Launch Pad Entrepreneurship Club, helping foster a community of student entrepreneurs. She also expanded her perspective through study abroad in Florence, Italy, and at the École Nationale Supérieure de Pâtisserie in France.

Alumni Speaker

BRANDEN J. LEWIS, Ed.D., '04, '06 MBA, CEC, CMF
professor, Johnson & Wales University

Branden Lewis combines his expertise in international cuisines, sustainable food systems, and culinary education. He believes that culinary education should include sustainability topics, as chefs have a unique ability to influence the food system through responsible sourcing, relationship-building and advocacy for sustainable practices. At JWU he has led the development of the Sustainable Food Systems bachelor's degree program and the Culinary Sustainability minor. As the program lead, he guides students in exploring the complexities of the food web using innovative, experiential educational methodologies.

In 2008, Lewis was named one of *Edible Rhody Magazine's* "Food Heroes" for his work serving immigrant and refugee communities. In 2013, he was showcased in the Rhode Island episode of "Bizarre Foods America" with Andrew Zimmern, which focused on local sustainably caught seafood. In 2024, he was also featured in the sustainable seafood documentary "Against the Current." Driven by his passion for sustainable food systems, Lewis continues to make significant contributions to both program development and research in culinary sustainability education, enhancing the impact of Johnson & Wales and the broader culinary community.

Honorary Degree Recipient

JOHAN GRAHN '02

Doctor of Business Administration

Johan Grahn '02 is a proud Johnson & Wales University graduate whose career in finance began on campus in the Office of the Treasurer, where he supported the management of the university's endowment and developed the foundation for his work in investment leadership. Today, he serves as a senior vice president and head of exchange-traded funds

(ETFs) at Raymond James Investment Management, leading the development of a modern ETF business within Raymond James Financial's network of more than 8,800 advisors and \$1.6 trillion in client assets.

Throughout his career, Grahn has focused on building and leading investment businesses and entrepreneurial teams. Before joining Raymond James, he led the creation of a multibillion-dollar defined outcome ETF business, developed a \$35 billion global investment platform, managed a \$50 billion multi-asset lineup, and provided investment consulting services to numerous endowments and foundations. With deep market and industry acumen, Grahn is also frequently interviewed by the media and speaks at industry events.

Grahn holds a B.S. in International Business from Johnson & Wales University and an MBA from Bryant University. Prior to coming to the United States, he earned the green beret of the Swedish Navy's special forces — an experience that shaped his discipline, resilience and humble approach to leadership and teamwork. He continues to serve his community as an

investment committee member at the American Swedish Institute, and at Tubman, a nonprofit supporting thousands of individuals navigating trauma.

Outside of work, Grahn and his wife are raising three teenagers, which provides a steady mix of humor and “managed” chaos. He does his best thinking in his wood burning sauna, and resets through backpacking trips into the wilderness, where long miles and quiet landscapes open room for reflection. At his core, Grahn is a builder of ideas, opportunities, relationships and businesses. Whether standing in front of a whiteboard or a topographic map, he brings intention, curiosity and authenticity to everything he does.

The deans and faculty of the John Hazen White College of Arts & Sciences, the College of Food Innovation & Technology, the College of Health & Wellness, and the College of Hospitality & Business proudly present their Classes of 2026.

Honors Status

University Honors Scholar status indicates one of the highest academic honors awarded by the university: successful student participation in the JWU Honors Program and completion of an Honors Thesis. Through this four-year program, academically advanced students receive an honors-caliber education that enriches the university curriculum and builds a diverse community of scholars.

Students who participate in the Honors Program and achieve an overall 3.6 GPA can graduate with one of three honors designations.

Chancellor's Honors Scholar: 24 credits of honors-designated courses including 6 credits of research

President's Honors Scholar: 18 credits of honors-designated courses including 6 credits of research

Provost's Honors Scholar: 12 credits of honors-designated courses including 6 credits of honors-designated courses at the 2000-level or higher and 6 credits of research

University Leadership

Board of Trustees

John E. Taylor Jr., chair of the board, Johnson & Wales University; managing director, Faulkner & Howe LLC, Vero Beach, Florida

Clay A. Snyder '93, vice chair of the board, Johnson & Wales University; senior director of customer engagement, Hilton Supply Management, McLean, Virginia

Mim L. Runey, LP.D., chancellor, Johnson & Wales University

Maribeth N. Bisienere, former senior vice president, operations; Walt Disney World® Resort, Celebration, Florida

Joye D. Blount, president, Knight Angels Consulting LLC, Charlotte, North Carolina

Adi Dhandhanian '10, senior managing director, TPG Strategic Ventures; chief executive officer, Neon Marketplace, Cranston, Rhode Island

Lorena M. Garcia '00, president and chief executive officer, Lorena Garcia Group, Miami, Florida

Lionel E. LaRochelle II, principal, Spring Valley Hospitality Advisors LLC, Hobe Sound, Florida

Robert J. Palleschi '86, chief executive officer, American Campus Communities, Austin, Texas

Shivan S. Subramaniam, retired chairman and chief executive officer, FM Global, Providence, Rhode Island

Officers of the Corporation

Mim L. Runey, LP.D., chancellor

Joseph Greene '89, '98 M.S., CPA, vice chancellor and Providence Campus president

Danielle Santamaria '13 MBA, CPA, chief financial officer

Emily A. Gilcreast '19 MBA, university secretary

Symbols of Commencement

University Seal

The university seal represents Johnson & Wales University's roots. The year at the top of the shield, 1914, is the year that the university was founded by Gertrude I. Johnson and Mary T. Wales. The dragon of St. George on the upper portion of the crest honors the Wales family, while the lower portion of the crest bears the cross of St. John and honors the Johnson family.

Mace

The Johnson & Wales University mace symbolizes the ideals and values of JWU's educational philosophy. Cast of silver and bronze, it is engraved with the names of our chancellors, past and present. Our campus locations are engraved on the golden bands. On ceremonial occasions, university officials carry the mace to display the unity and continuity of Johnson & Wales University.

The mace dates to medieval times, when it was first used as a weapon. Forbidden to use swords, medieval European bishops were allowed to enter battle with a mace — typically an iron or steel club designed to split armor. By the 16th century, the mace had become a symbol of authority that colleges and universities began using ceremonially. That tradition continues today, and the mace is carried as part of formal academic occasions at colleges and universities across the globe.

Academic Dress

The tradition of wearing distinctive dress for academic reasons dates back to the Middle Ages. Today, academic costumes are usually worn in the United States by people participating in academic ceremonies.

The faculty and platform party wear regalia representative of the degrees they possess.

The academic dress worn by graduates at today's ceremony are 100% certified recycled polyester fabric that can be recycled and made into future gown products, helping to divert from landfills. Each recycled gown saves 29 plastic bottles from landfills, reduces carbon dioxide emissions by 1.5 pounds, and saves half a gallon of gasoline.

Hoods

Originating from the cowls of monastic orders, the hoods are the most distinctive part of the academic regalia. Their shape and size indicate the level of degree attained, and the colors reflect both the academic field as well as the institution that granted the degree.

The degrees most frequently represented in JWU academic processions are as follows:

DEGREE	COLOR
Bachelor of Arts	White
Bachelor/Master of Business Administration	Drab
Bachelor/Master of Science	Gold
Doctor of Occupational Therapy	Rhodes Blue
Master/Doctor of Education	Light Blue
Master of Public Administration	Peacock Blue
Master of Public Health	Salmon
Master of Science in PA Studies	Sage Green

Caps

There is more variety in the shape and color of academic hats than in any other area. Master's and doctoral degree recipients wear the tassel on the left throughout the ceremony, and the doctoral soft-cap often features a gold tassel.

Gold Cord Honors

Eligible undergraduate degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their cumulative academic program average. Graduating students are eligible to receive Latin honors if their GPA is within the following range: cum laude, 3.50–3.69; magna cum laude, 3.70–3.89; summa cum laude, 3.90–4.00.

Blue and White Cords

Eligible undergraduate degree candidates who have participated in co-curricular activities and maintain academic integrity as designated by university parameters are distinguished by a blue and white cord.

Disclosures

Diplomas will be awarded upon completion of all university requirements.

The commencement program listing contains the names of students meeting eligibility criteria and submitted for publication as of April 10, 2026. Names that are printed in the commencement program should not be used as an indicator of degree completion. Students must satisfy all graduation requirements before officially graduating and receiving a diploma.

To Attendees of this Event:

Johnson & Wales University has hired professional photographers/videographers to capture images of this graduation for use in educational and promotional materials. Attendance at this event constitutes each individual's consent to Johnson & Wales University to have their image and voice recorded and retransmitted for any and all purposes at the university's discretion. If you do not agree with the foregoing, please see a university special events staff member.

For the safety of everyone in attendance and to comply with local fire department regulations, guests are requested to remain in their seats during the program. Ushers are stationed at the foot of each aisle should you need assistance.

After the ceremony, guests may join the graduates outside under the marquee of the Amica Mutual Pavilion. For your convenience, the commencement ceremony is being professionally photographed by Grad Images®. For information on ordering photos, please contact Grad Images® at 800-261-2576 or visit gradimages.com. The ceremony is also being [streamed live](#).
