

Important Summer 2025 Semester Dates

For instructor use only. Please refer students to your separate course schedule.

Weekly areas must be available to students a minimum of one week in advance. For example, Week 3 is available to students no later than the start of Week 2. To assist you in implementing this and all date-related policies, the table below lists the start date for each week, the available-to-students date, and typical due dates (Thursday for initial discussion posts, Sunday for other graded items).
