

DELETE AN ASSIGNMENT

If an assignment is no longer needed in a ulearn course, it can be deleted. You can also simply just [edit the assignment](#) to rename it.

Instructions

1. Click on a [content area](#) where the assignment is located.
2. Click the **down arrow** next to the assignment's name. Select **Delete**.

3. When the message appears, click OK.

4. A banner appears at the top of the page, the assignment has been deleted. The grade center columns will be automatically removed.

Success: Assignment 5 deleted.

5. If student's previously submitted to the assignment and you still wish to delete it, this message will appear. In most cases, you will want to select the "**Delete this Assignment**" option, otherwise you will end up with an orphan grade column that is no longer associated with the original assignment and cannot be removed by you or a ulearn system admin. Choose the Delete option and then click **Remove** when done.

DELETE ASSIGNMENT

Warning: Deleting this Assignment also delete all its submissions. Retain the Grade Center item and scores for this Assignment by choosing Preserve scores below. These scores will no longer link to the Assignment submissions that produced the scores. This action cannot be undone. To prevent submissions from being deleted, choose Cancel and make this content item unavailable rather than deleting it.

Preserve scores in the Grade Center for this Assignment, but delete the assignment and all its submissions.

Delete this Assignment, the Grade Center item for this Assignment, all grades for this Assignment, and all submissions for this Assignment.

Note:

If you have a column you cannot delete, please email ulearnhelp@jwu.edu. Provide the CRN of the course and the column ID, which can be obtained by hovering over the name of the column and selected Quick Column Info for the column.
