

# TURNITIN ASSIGNMENT INBOX

The Turnitin Assignment inbox is where assignments can be accessed and graded. This page provides an overview of the students who have (or have not) submitted, the similarity score, etc., including access to the optional settings.

## Instructions

1. Navigate to the [content area](#) or folder where you want to access the Turnitin assignment.
2. Click the **link for the Turnitin assignment**.

3. The names of the students appear on the page, including those who have submitted and those who have not. To look at a student's paper click on the paper title.
