## TAKE A TEST/QUIZ IN ULEARN

Many courses use online tests or quizzes to measure learning. When a quiz or test is included in your course, make sure you note the due date/time, the time allowed for you to complete the quiz or test, and any special instructions provided by the instructor.

## Instructions

1. From the main menu on the left side of the course site, navigate to the appropriate area, as identified by your instructor.

2. Click on the name of the quiz or test you are taking.

3. Click Begin to start.

STRUCTIONS		
Timed Test	This test has a time limit of 1 hour.	
Timer Setting	This test will save and submit automatically when the time expires.	
Force Completion	This test can be saved and resumed at any point until time has expired. The timer will continue to run if you leave the test.	
Multiple Attempts	This test allows multiple attempts.	
Due Date	This Test is due on August 4, 2019 11:59:00 PM EDT.	
Click <b>Begin</b> to start: Week 9 Quiz. Click <b>Cancel</b> to go back.		/

4. Test Information is at the top of the page. Read them carefully, making note of any instructions, how much time you have to complete the exam, if you are allowed multiple attempts, or if you will be forced to complete the test in one sitting.
