

JWU INTERNATIONAL STUDENT RESPONSIBILITIES

1. You must attend the school for which you are authorized; make sure to use the Form I-20 or DS-2019 Johnson & Wales University provided to you to enter the United States.
2. Make sure your Form I-20 or DS-2019 and passport are up-to-date and valid at all times. When any relevant information on your Form I-20 or DS-2019 changes (name, country of citizenship, major, financial resources, etc.), you must immediately report such changes to [your International Student Advisor], and obtain a new Form I-20 or DS-2019.
3. Be aware of the expiration date on your Form I-20 or DS-2019. Remember, if necessary, you can extend your Form I-20 or DS-2019 no later than 30 days **before** it expires. You should always know your program end date by checking your most recent Form I-20 or DS-2019.
4. F-1 and J-1 students must carry a **full-time** course of study every semester from September to May. **Failure to maintain full-time status will result in the loss of your F-1 or J-1 status.** This means as follows:
 - **Undergraduates must take:**
 - A minimum of four 3-semester credit hour courses each semester (i.e., 12 credit each semester).
 - 9-semester credit hours of face-to-face instruction per semester; you may take any credits above that online.
 - **Graduates must take:**
 - A minimum of three 3-semester credit hour courses per semester (i.e., 9 credits each semester).
 - 6-semester credit hours of face-to-face instruction are required per semester; you may take any credits above that online.
 - Must be in courses of face-to-face instruction for the entire 16-week semester
 - If there is only ONE class remaining on your last semester, it may NOT be online.
 - If summer is your last semester, you have to maintain full-time status or complete a Reduced Course Load (RCL) Form approved by your Academic Counselor.
5. On-campus employment must be limited to a total of 20 hours per week while school is in session. If you work more than 20 hours per week, your Form I-20 or DS-2019 status will be terminated.
6. Off-campus employment (Practicum, Curricular Practical Training, Optional Practical Training, STEM OPT Extension or Academic Training) may only be granted after you apply to the U.S. Citizenship and Immigration Services (USCIS) through JWU Global-International Student Services Office (ISSO). **DO NOT WORK OFF-CAMPUS WITHOUT AUTHORIZATION FROM USCIS.**
7. Check your travel documents to be certain they are in order before leaving the United States. All trips outside the United States require a signature on your Form I-20 or DS-2019 from a Designated School Official (DSO) or Alternate Responsible Officer (ARO) at the JWU Global-ISSO to re-enter the United States. Signatures require updating every semester.

8. Report a change of residence to JWU Global-ISSO and USCIS no later than 10 days of the change through your jwuLink.
9. Whether you have worked the previous year or not, you must file your tax form with the Internal Revenue Service (IRS) on or before April 15 of each year, you reside in the United States.
10. It is your responsibility to understand and comply with the terms of your immigration status during your stay in the United States. Violations of immigration regulations could jeopardize your F-1 or J-1 status and ability to stay lawfully in the U.S.

I, _____ (print name legibly), have read and understood this document. The aforementioned responsibilities are ones I agree to undertake to insure the maintenance of my student status.
